When planning your route to the race start, please remember roads begin to close at 2:30pm.

ROAD CLOSURES

Where should I park?

Please give yourself plenty of time to find parking before the start of each race! Many parking lots are cash only, so it can be helpful to bring cash with you.

PARKING

Don't forget your Race Bib.

J&A Racing uses the-state-of-the-art Chronotrack Timing System to provide you with fast and accurate race results. On the back of your race bib is a disposable timing chip. Do not remove or bend your timing chip. In order to receive an accurate time for your event, please make sure your bib is:

- * Clearly visible on the front of your shirt or jacket
- * Pinned to your shirt or jacket on all four corners
- * Not covered by a jacket, costume, fuel belt, etc.

Dry Bag Check

We will have dry bag check on Saturday for the Surf-n-Santa 5 Miler. We will only accept dry bags in the clear bags provided to you at packet pickup.

Tear the "Gear Check" tab off your race bib and attach it to the clear, dry bag provided to you at packet pickup. Tie your dry bag closed before lining up to drop your bag off. Do not put any items of value in your dry bag as J&A Racing is not responsible for any lost items.

Dry Bag | Located in Hall C of the Virginia Beach Convention Center. Dry Bag opens at 3:30pm. Dry Bag closes at 7:00pm.

All dry bag services are organized alphabetically by last name.
